Pastor Recommendation

White Mountain Christian Academy exists to partner with Christian families who desire their children to be taught through a biblical worldview preparing them for a lifetime of authentic faithfulness to Jesus Christ. To solidify this partnership with parents, we require that at least one parent living with the student(s) have a personal relationship with Jesus Christ and be actively involved in a church body. This requirement ensures students at White Mountain Christian Academy are hearing One Voice, the same voice - at home, in church and school.

White Mountain Christian Academy is a Christian, K-12 school. We admit and accommodate a range of students. If a student attends, we want to ensure a good experience for both the student and family.

White Mountain Christian Academy is dedicated to providing a Christ-centered education in which the school assists the parents in developing the character of Christ in their child so that he or she becomes a contributing member of his or her family, church and society, to the honor and glory of God. We take our mission seriously. Your insight now helps us achieve the mission for each student and lays the foundation for a successful experience.
